Subject: MGI PhotoSuite III digital photo. Trunk in Las Vegas

We spent the day of "Read across Nevada Day" in the Tomiyasu Elem. School in Las Vegas. We had five groups this size for 50 minutes each and then a small group of four autistic students. There were over 600 students total plus teachers and aides. They knew little about Lewis and Clark and really seemed to enjoy the program. They especially enjoyed the furs. Mary and Don
